Yes I know who you remind me of, a girl I think I used to know
D A D A
Yes I'd see her when the day got colder, on those days when it felt like snow
D A D A
You know I even think that she stared like you, she used to just stand there and stare
D A D A
And roll her eyes right up to heaven and make like I just wasn't there

G A
And she used to fall down a lot
G A
That girl was always falling again and again
D A
And I used to sometimes try to catch her
D A
But I never even caught her name

And sometimes we would spend the night just rolling about on the floor
D A D A
And I remember even though it felt soft at the time, I always used to wake up sore
D A D A
You know I even think that she smiled like you, she used to just stand there and smile
D A D A
And her eyes would go all sort of far away and stay like that for quite a while

G A
And I remember she used to fall down a lot
G A
That girl was always falling again and again
D A
And I used to sometimes try to catch her
D A
But I never even caught her name
D A
Yes I sometimes even tried to catch her
D A
But I never even caught her name
